UK Professional Standards Framework of Advance HE	

The overall aim of the Postgraduate Certificate in Veterinary Education is to enhance the professional development of educators in the veterinary and para-veterinary sectors and to:

- facilitate the development of staff that have a substantial role in all areas of teaching and learning
- devor2%000fW61•

The programme offers

'Learning through assessment' is the main philosophy that is being adopted in developing

	Module Title	FHEQ Level	Credits	Compulsory or optional
Year 1	Foundations in Veterinary Education (FIVE)	7	30	Compulsory
Year 1	Applied Concepts in Veterinary Education (CIVE)	7	30	Compulsory

Years 2-3\*

Four 15 credit modules selected from those available, which currently include:

- Teaching the basic sciences in a clinical context
- Assessment, Feedback and Learning
- Clinical Reasoning and patient-side teaching
- Small group teaching
- Lecturing and Teaching in Large groups
- Professional identity and interprofessionalism

only four modules can be taken during a calendar year. It is usually the case that students take their chosen four modules over 2 years, which maximises module options and is recommended for those balancing the course alongside full-time work.

Evidence Based Veterinary

	recognition that they must be employed in the delivery of Higher Education (UK qualification level 6 or above, or international equivalent).
