

Assessment & Award Regulations

6.7 **Case Based Discussion (CBD)**

Students' performance will be graded to assess:

Clinical record keeping

Review of investigations

Diagnosis

Treatment

Planning for subsequent care (in-patient or discharge)

Clinical reasoning

Overall clinical care

The grades are: Demonstrates excellent practice; Should address learning point highlighted below; Must address learning points highlighted below and Further core learning needed.

6.8

Assessment & Award Regulations

Assessment & Award Regulations

10.2.4	Students who have passed individual module(s) (including exemptions) amounting to 60 credits will be eligible for the exit award of Postgraduate Certificate in Veterinary Clinical Practice.
11.	<p>Classification</p> <p>This award is not classified.</p>
12.	<p>Disclosure of Marks</p> <p>Results will be published by candidate number.</p>
13.	<p>Absence From In-Course Assessment</p>
13.1	Where a student has an <i>allowable</i> absence, they will be marked absent (A) from a summative assessment and permitted to defer the sitting.
13.2	An allowable absence is one that is for a significant unforeseeable event such as illness.
13.3	Absences of more than 4 weeks that impact on the student's ability to complete all elements of the course should be referred to the Course Director and Graduate School.
13.4	Any other foreseeable absence will only be considered allowable if agreed by the Student Performance and Development System and this will only apply in very strictly limited circumstances. A student absent for any other reason will be awarded 0 (zero) for the assessment.
14.	<p>Late Submission of Work</p> <p>Reports, Projects and Assignments submitted after the due deadline will be subject to the late submission policy set out in the College's General Assessment Regulations.</p> <p>Within this course all written assignments (case reports / literature review) are classed as major pieces of work (50% minimum mark).</p>
