

1. **Course:** VetD

3. **Applicable to Academic Year:**

For Level 8 OFS

In-course assignment:

Marking Scheme: The College's Common Grading Scheme with reference to Level 8 QAA criteria

The assignment must show evidence of:

- coherent rationale and justification for the study;
- comprehensive and critical review of relevant literature;
- clearly articulated statement of question/focus/problem;
- clear and detailed account of methodology and methods used, including their justification in relation to the focus of the study;
- clear presentation of data, including use of appendices where appropriate;
- appropriate and clear analysis: it is not sufficient to present the raw data;
- discussion including professional relevance;
